Rest Easy Brother Horace. You are indeed a brother to me. You and Joy are my ISU family. Thank you for trying out ROTC even though I knew those boots hurt your feet. Thank you for keeping in touch with me and Michael when we lived in Getmany. You always put a smile on our faces. Love you always. Zoey

My prayers and condolences go out to the Price family. Horace was a great friend and wonderful soul. Today I decided to go on Facebook to see how he was doing because it's been awhile that we talked and today I learned of his passing which saddens me. Horace was a great cook, he loved his job, he loved his cat and he was very outspoken. He was such a young and beautiful person. May His Soul Rest In Peace In The Everlasting Arms Of Our Lord And Savior Jesus Christ!!!

Horace was the first neighbor we met when we moved on 105th & Union. He was a really nice person to the point where he visited every day. Him and my daughter Melany would do homework,, eat,, and socialize. Some nights I would have to tell Horace to go home. We all enjoy you , and will truly miss you. Rest in peace.

“ Horace and I attended elementary school and graduated in the same class. After matriculating through high school and college we lost touch, but reconnected on social media in later years and found out that we were apart of the same fraternity. He charged me up on FB messenger! Horace, you will be missed!

“ *Horace, you will truly be missed. I will always remember your smile, your enthusiasm, and most of all the love you had for your family. You were always so free-hearted. I remember you driving from Chicago to Louisiana and crashing on my couch seconds after you made it. I have lots of memories that I will cherish for the rest of my life. I miss you already Horace. Love You, may you rest peacefully in Heaven. Your Cousin , Cherisse Forest*

“ Horace (Captain Buck)- your private self, his real conversation self, that was fascinating to me being only a fraternity brother from (Alpha South). I always thought of you as being GIFTED and a visitor from another planet because of the Wisdom; but you were just a DISTANT STAR that burned out to soon! Frat, you left on your own terms and I will miss you alot, thanks for being, " My rainbow in the CLOUDS". ALPHA "PHI" Alpha- Omega Chapter- 7/5/2020.
