“ *Grandma It has almost been a year just a few day away and I still miss the sweet sound of your voice. I miss coming to the house and lookin at old photos. I miss you tell me that i need to keep singing. I miss us having tea together even though it could be blazing hot outside. I miss you laughing at the time I tried to roller set your hair I miss you smiling at DJ. Bottom line is I really really miss you and my heart still hurts to this day to know I didn't even get a chance to hug you one last time. Or hum a song with you as I lay my head in your lap. It's almost been a year and it still hurts. I know you are resting and i know you are at peace and i just want to tell you that I love you ganny. This week I will plant something in your honor.*

“ This gives me a chance to let my Aunt Punce who is in paradise now and in the arms of our Lord know that I loved her. I will miss your sweetness and kindness I could always feel the love from you. As a child I remember that every time you came home to visit you always brought something for each of us. You always had a gift in your hand for me. I am so blessed to have had my Aunt Punce in my life. I'm so happy that my children were able to meet you. They both remember that you made then peanut butter and jelly sandwich the last time we visited with you in Fl. May the lord bless you and keep you, May the lord make his face shine upon you, and be gracious to you. May the lord lift up his countenance upon you, and give you peace. I love you Aunt Punce.

She is Gone
By Anonymous

*You can shed tears that she is gone
or you can smile because she has lived.*

*You can close your eyes and pray that she'll come back
or you can open your eyes and see all she's left.*

*Your heart can be empty because you can't see her
or you can be full of the love she shared.*

*You can turn your back on tomorrow and live yesterday
or you can be happy for tomorrow because of yesterday.*

*You can remember her and only that she's gone
or you can cherish her memory and let it live on in you.*

*You can cry and close your mind, be empty and turn your back
or you can do what she'd want: smile, open your eyes, love and go
on*
