“ *...For grandma:*

oh so i miss those dark, rosy cheeks of yours granny, 😊😇

your 4th grand baby, kenny, 😊, him 43 now gran gran. yep!

your great grandson had a b-day on the weirdest yet miraculous dates... °God-3°, has always been good to us granny! 😊

he turned 17 this year.....

the fondest memory I have of you, sister mcFarland, as i mean that with love and earnest, is that, at about 4-5 yrs old, you gave me a cold, bulletproof stare granny,,

one that EVERY man and woman that crossed my path; have yet to match!!! 🙄👤♂

it was the stare of inducing me with the "Fear of °God-3°.... had i not lived to this age mayhaps, I would have still been clueless this all...!!! Thank you for grounding me in °God-3° granny, it turned out to be the most important thing in my life grandma.... love you!
