“ *I am kind of stuck for words! You were my father but I didn't know you or your family! I've only seen you twice from what I can remember and each encounter was not great! I was trying to push myself to attend your funeral and be the bigger person but I will not! I will not know anyone nor do I have any good memories to share! I will remain in the dark as I have for the past 39 years! I hope you have found peace with yourself and God!*

“ To the Daughters and family of Isaac Whitman:

*It seems just like yesterday when we all lived on Fort Totten Drive in DC. Career choices sent us in different directions however we always stayed in touch. My dear friends Isaac and Ora had many late night conversations and laughs to last a lifetime.*

*The call from Tanya send shockwaves and surprised me as I'd talked with him on mid-July. So sorry not to see my buddy again.*

*Thanks 🙏 my Father God for favor of us never being out of touch.*

*Girls I knew your father as a quiet and humble man that only wanted to live honorably with pride and integrity. I knew him as a man who loved his late wife Ora and his daughters. I knew him as a man who prayed for good health and wanting to serve his God “just one more time”. A lifelong friend of 50 years. I knew him as a man who took pride in his work and never said anything negative of others and found good in some of the most difficult circumstances.*

*The bell has tolled and he's answered the call. Thanks for being my friend Isaac.*

*Sincerely,*

*Gloria White Gardner, Rockville Maryland and Kimberly Annette Woodard,  
Washington DC*
