“ *I just found out about Mr. Steele's passing. He was my buddy at St. Anthony when I worked there. Our talks would brighten my day. He called me "Lucille Ball" and "Lucy" lol. I have thought about him often after I left to pursue other work. May his memory be a blessing.*

Derrick, what we have once enjoyed we can never lose. All that we love deeply becomes a part of us. And, I'm sure you know that. Again, my condolences to you and your family & you will be in my prayers!!

God knows what is best for all his children. He called Ike to come home because his time was up here and his life with his family here was a Beautiful life. He is gone from our sight but spiritually he will always be with his loved ones until we all meet again in heaven!
