“ My friend Jackie. We grew up together, grade school, high school. We were neighbors, friends, family like. Her sister's and mine used to practice in their basement like we were rehearsing to be on the "Big Bill Hill Show". And stepping???? Back in the day we "bopped"....Jackie bopped "lights out"..No 8 count, no scripted moves, just pure movement. I bet she gave the steppers a run for their money. Jackie didn't mince words either; she was quick witted but you had to know her, she meant what she said and said what she meant unapologetically. She was fun and she was loved. I'll miss you Jackie and I pray for your family. Rest peacefully "J" girl, rest peacefully. Love Angie (Trudy and Bridey)
