“ *My father was my best friend since I could remember. He's responsible for my love of self. He always told me I was beautiful and he was proud of all of his children. People everywhere loved him. They all remembered his favorite saying which was "call the police!" He said that when you looked great, said something profound or very funny, or if he hadn't seen you in a long time, and many other reasons I'm sure, depending on the circumstances. LOL The world knew him by "Pookie Joe."*
