I just happened to be curious about how you were doing. You offered words of comfort when my husband died just months before your death. I will always remember the great times our families shared at SIU. Thank you for being a great friend and surrogate uncle to our kids. Hope you and Tuck are bonding well in the after life. Rest on my friend. Deepest sympathies.

“ *I send my sincere condolences Mrs. Donaldson, Dr. Donaldson's Family and immediate family and friends. Joe and I attended Quigley South High School together. We were in several classes together, we worked as cashiers at Preskus Pharmacy in Roseland, and I cheered Joe on as he was an athlete that played soccer and basketball. Joe enjoyed playing chess, good conversation and was a proud man. My prayers go to you Joe and your family Joe.*
