My thoughts and prayers are with you during this difficult time. I had the pleasure of working with Judy for many years on the Financial Management Team. She was a lovely, cheerful, and positive person and she made our workplace a brighter place. Judy was dedicated, hardworking, and a conscientious employee and we were lucky to have her and her strong work ethic on our team. She was very proud of her family and she shared many stories with us. I will always smile when I think of Judy as she was such a special person and I am fortunate that I had a chance to know and work with her. I hope that you find comfort and peace in recalling your memories of Judy.
