“ *I think I can speak for the entire Vi family here in Glenview that we are all crushed at the unexpected loss of our dear friend and coworker. Katherine worked here for the last 17 years and has made many friends. She saw so many people on any given day and always had a friendly greeting or inquiry of how we were doing. She liked to keep the radio loud and sing or dance when she felt inspired. We are so going to miss Katherine’s big personality here at the Vi. I want the family to know how special she was to us and that her loss leaves a huge hole in our hearts. The good news is that we have many happy memories of Katherine and have shared many laughs with her. Those memories, I think, will get us through this difficult time. Our condolences to the entire family.*
