

Kevin Allan Knazze Sr.

June 13, 1959 - December 8, 2020

Kevin Allan Knazze, Sr. was born in Chicago, Illinois on June 13, 1959. He was the youngest of nine children born to the union of the late Herron Knazze and Lula Mae Knazze (nee Sweet).

Kevin accepted Christ into his life at an early age and continued his strong spiritual relationship throughout his life as a member of Bellevue Baptist Church. He served with joy in the 11AM Choir, the Youth Church Ministry, and assisted with Vacation Bible School preparations for 10 years.

He received his early education at St. Brendan School where he met his lifelong friends, Homer McCoy, Ulysses Terhune, and the late Brian Rogers. After graduating from Quigley Seminary South High School, he went on to earn an Associates in Liberal Arts degree from Malcolm X College, and he received a Bachelor of Arts in Business Administration from St. Xavier University.

Kevin's energetic, outgoing personality caused him to be a magnetic force, drawing others to him wherever he went. His charismatic spirit served him well throughout his life as he built a successful 33-year career with Minnesota Mining and Manufacturing (3M) where he mentored others and made life-long friends.

Kevin took the time to get to know people in a way that made them feel special. He was a hardworking man who took pride in being able to provide for his family. He always showed a genuine interest in the well-being of others and never knew a stranger. People knew him wherever he went, regardless of how far he traveled from home.

He was an avid Chicago sports fan, except for the Cubs. He also loved all genres of music and loved to dance and have a good time socializing with family and friends.

On August 20, 1983, Kevin married the love of his life, Anita Verser. To this union was born, Kevin Allan Knazze, Jr., Kara Alyse Knazze, and Kayla Alaine Knazze.

Kevin departed this life on Tuesday, December 8, 2020 when he was called home to his Heavenly Father. Although no longer here in body, Kevin's impact on others and fun-loving spirit will endure forever in all the people he's touched and inspired, especially the many nieces and nephews to whom he was a favorite uncle.

Along with his parents, Kevin was preceded in death by his brother Howard Knazze and his sister Debra Perkins. Kevin's memory will be cherished by his wife Anita, and their children Kevin Allan, Jr., Kara Alyse, and Kayla Alaine; his siblings – Harvey Knazze, Melvin Knazze (Madelyn), Hattie Knazze,

Elizabeth Scott (Sean), Herron Knazze (Florence), Karen Knazze, and a host of well-loved nieces, nephews, other relatives, and friends.

He will be forever missed but his positive and uplifting spirit, along with his infectious smile will last always.

“ I have worked in Sales Productivity at 3M supporting Kevin for 3 years. He quickly became one of my favorite reps to support. He always called with a smile, quick piece of advice and always left me feeling happier. Kevin is such a KIND, CARING and GENEROUS man. I'll never forget when he organized Lou Malnati's Pizza to be delivered to our office in St Paul a few years ago. He was SO excited to have us try his Chicago pizza! He also provided sound advice during my wedding planning - "Just hold hands through it all, Jordan!" Kevin's laugh and 'smile through the phone' will be greatly missed.

Sending Kevin's family many hugs and love during this difficult time.

“ Knazze Family,

I am deeply sorry for the tragic loss of Kevin's life.

With only knowing Kevin for a little under two years, we instantly connected. He welcomed me onto our 3M team with open arms and more importantly, an open mind and heart. Kevin always made time to help, mentor, and share his insights on his experiences in work, love and his overall appreciation for life. He spoke so fondly of his children and wife. Family first, always. He was as real as real gets, with the perfect amount of Old School Chicago Flavor - a true classic.

One my favorite mentorship moments with Kevin was when he would encourage me to slow it down through a pizza analogy, "Life can be like a pie of pizza, the whole thing looks so good sometimes you just so hungry you want it all, but then you eat it so fast it hurts and you forgot to enjoy it. Try just one slice at a time, and maybe Chelli, for you just a bite at a time!" followed by his signature chuckle. There are only countless amazing memories and moments I can recall from my brief time with him.

Kevin, thank you for always being there and keeping it real. You were an unforgettable human with a positive influence and are a beautiful soul, as legends never die. You always had a way of bringing warmth into every experience. I can only imagine how many other lives you have touched.

My Sincerest Condolences,

Leslie

“ It is with heavy heart and great sadness that I learned about the loss of my friend Kevin. I have had the pleasure of knowing and working with Kevin for over 25 years.
When I first started in the distribution business, Kevin was my first 3M rep that I worked with. Kevin had an incredible personality, full of life and laughter! Kevin was always a joy to be with, weather it was talking about his beloved White Sox's, or his favorite food, he always made sales calls memorable. Most importantly, he was always willing to help in any way he could. I will forever miss talking about what was most important to him, which was family. You will be missed Kevin!

“ When I first started working with Kevin he was still working in customer service and just a voice on the phone. We spoke often and as we became more familiar, our conversations started to include talk of spouses and kids and bowling leagues and the best pizza in Chicago.

Kevin eventually took over a territory and started calling on us and we were finally able to put a face to the name and the laugh.

We always enjoyed Kevin's visits because he always had a smile on his face and a story to tell.

He was one of those people that I could never fool when something was wrong. He would say "Come on now sister you can't fool me. Tell me what's wrong.", and he'd offer great words of advice on my career and life that I really appreciated hearing and always made me laugh when I needed it the most. At the end of every conversation he'd say "Everything will be alright and give Symba a pat on the head for me."
