“ *My favorite cousin . Your birthday is tomorrow . I don't know how I'm gonna be able to get through the day tomorrow . I wish you was still here . I go through some situations and in my head all I say is why you ! I wish you was still here or I wish you could just come back for a day and I'll spend the whole entire day with you . It's coming up on four years since you been gone . I know you're watching over me though*
