“ *My sister, my non biological but real sister. We fought, cried, laughed, just it all together. Missing those phone calls where you would tell me to come get the kids or ask me to sing to you. Thank you for the yeaaaaaaaars of memories and love of you. I am one blessed girl to have known you. Forever my sister...*

“ I didn't think that we would have the kind of bond that we share after meeting you for the first time at Kalyan's birth. You made your way in the Mosley Family and became part of our lives. I will definitely miss our weekly conversations or early hour calls when you became upset with the kids or just needed a listening ear. I thought we had more time, 15 years was not enough time to say goodbye. I don't have to tell you but you know I will take care of Jazzy and continue to have a relationship with Jaquavian, Jeremiah, Kaleb and Makaiya. Continue to rest easy until we meet again.
