“ *I Love You So Much Granddaddy and it was an honor to live in the same household for so many years I wouldn't trade it for anything. I appreciate the lessons you taught me and how brave you raised me up to be. I've always been a risk taker and your responsible for that. Although I am sad that you had to go so soon I did appreciate your time here. I love you I love you I love you💖 from your Rocky Mama*
