“ *My condolences goes out to the Hampton Family. Lang was always a good sweet boy! I loved him dearly. My ached. I pray that God is able to soften his parents and older brother Randall's heart during these time. Love RitaT*

“ *My papa bear, my gentle giant. My baby 💔 He was such a caring man. Always there for me no matter what. All he talked about was Lee, we agreed Lee was my son to. That was his baby. We would stay up all night watching the first 48. He'd jokingly say he watched it if he ever needed to get away with something LOL. I'm really going to miss him. You will FOREVER live in my heart, papa. I just wish I had him a little more longer. I will forever cherish our memories. Rest in paradise my king!*

I keep goin on and on but im sorry i couldnt make it to the services i was not informed of anything until today but i love all of you & thank you for allowing Lang to be one of my closest homies. -Pierre Hyde

“ Sharon, Harvey, and Randall, i'll never forget that little boy who would come over on my porch and talk to my mother and I whenever he would see us sitting out . And i'll always remember watching him grow into the fine young man he became.

Take comfort in knowing that he is resting in the loving arms of our Lord . And may that same loving Lord grant you his peace that passes all understanding !

Steph Jihn - March 11, 2021 at 11:10 PM

“ My Langston, is what I called as one of my favorite students at SCA. Langston and I had a special bond as teacher and student. Some days he would get upset with me because I inherently expected so much from him. He never stayed mad more than a day and neither could I. Although we did not keep in contact with each other after graduation, he will forever hold a special place in my heart❤️. Ms. S. Davis
