“ *My sincerest condolences.*

*Your mom blessed my sister and I many times with her warm smile and great conversation. She was easy to talk to and always had time for us when she was really around to see my mother. I look back on the times we spent over your home, playing in the lot next door. She will be missed. if you need anything please don't hesitate to reach out.*

*God Be With You...*

“ *Larcena had only recently begun her first teaching assignment when she gave me, still a teenager, an observation that I carried throughout my professional life. She was commenting on the trend toward casualness in workplace attire that was taking hold. Her comment was that she was the teacher and the authority figure in her classroom. It was not her place to dress like her students. Her words of wisdom guided me from the time I began my career until I retired. Thank you, Cuz, for being my role model.*

“ Tony and Darla Vaughns, I remember when I first met Mrs. Larcena was at Pierce's graduation ceremony at your house. We went to the African Museum and she was so knowledgeable about our history. I was so impressed by her reserve and calm as she spoke. I thank God for that time. Our deepest condolences to the family. Aunt ReRe and The Kittrell family. Lol

ME

“ My sincere condolences to the entire family.

*Mrs. Vaughns was a part of my life since day one. She has been a treasured friend to our family for so many years. I am thankful to have had her involved with many milestones in life. From annual early Christmas morning visits at our family home, to being my wedding coordinator, she has been there, and was a very special person. I appreciate the friend she has been to my mother for years. She was always there, and I am extremely thankful.*

*I will remember her smile and the words I often heard her say... "You young people..."*

*Rest well.*

“ Expressing heartfelt sympathy to the entire Vaughns family across the miles. The posted tribute pictures share a story of a very special woman and beautiful family that is steeped in what #BlackLove is really about. David's extended family at HU and even our off-spring have an example of what scripture tells us; to "train up a child the way that he should go..." Through her sons, Mrs. Vaughns shared her loyalty, humor, caring, kindness and beautiful #BlackLove with some of us that never had the pleasure of meeting her. How proud they must be of her life's story, and I pray; finding some comfort in knowing how proud she must be of them for evermore.

“ Aunt Larcena...we are because of you. You shaped my life and helped me to be the son, brother, cousin, husband, father and man that I am and our family loves you immensely.
