“ Truly thankful that our paths were able to meet at Bennett College for Women. My 1st year in college was such a huge adjustment but having a Bennett big sister like you to talk to made it a lot less challenging. You will always have a special place in my heart and will be miss.

“ I met LaToyia when she carried the mail here in Evanston. I am so sorry for your incredible loss. She was so lovely and kind! She always had treats for my dogs. We would visit sometimes. She had the best laugh and always brightened my day. My heart goes out to her friends and family . Mary Henebry

“ She was absolutely Divinely made. she listened without judgment. She made you feel like you were her best friend. Her laugh was contagious. She was forgiving and loving. She will be missed dearly.....
