“ *My condolences to your family.....*

We started a company together in 1999 at the start of a new millennium. With that in mind we called the company New Millennium Telecommunications. We were one of the first minority owned (CLEC) home phone companies in existence after the deregulation of SBC communications.

*Later followed 3 U.S Cellular franchises stores
Ultimately we extended our brand and were granted license to provide government phone in Illinois.*

We were pioneers in Telecommunications

I owe my past and present business knowledge and experience to the 15+ years I shared with you.

You will be forever missed...salute
