“ *Pamela, I am so sorry for your loss. 😞 LeVell was one of the “Good guys.” He had a quiet and humble spirit. Whenever I think about marriage longevity, my mind goes back to the early days of Morning View MB Church. It seems to me that the marriages that started there, are the ones that lasts/lasted. LeVell & Mable were definitely in that number. He was a kind gentleman that didn’t have a lot to say, but when he did; he often made funny remarks that he would back up with a smile. He was my sister-in-law’s uncle, but he made me feel like I was a part of the family. All of the family have my prayers & condolences, and know that your Amazing father will be greatly missed. 💖*

*Sending condolences to the family of my cousin, Levell. We all came from Louisiana and we shared memories of our grandparents and aunts and uncles. I just talked to Mabel a few days before he passed and we were glad that everyone in our families were doing ok. I love all of you and you are in my heart even though we don't often see each other or communicate. I am so happy that the younger cousins keep up with each other on Facebook. May God be with you.
