“ *Lewis was one of those people that you would never forget meeting... He was a serious minded person with a playful side also. I will miss the many Fun filled trips to Mississippi, playing cards, talking on the phone and so many visits to my Mom's House...She loved you like a Brother and I'm sure that you knew that we all had and have a special love and appreciation for you always being so supportive, thoughtful, kind and so generous. WE love you and will surely miss your presence in our Family.....RIP Cuz!!*

“ Grandma must have known you would be the BEST. She gave you the PERFECT middle name and you lived up to it. You was definitely a TRUE MAN and the the BOND that tied and kept her family together.

When we lose someone we love, it seems that time stand still but nothing rooted in love is ever lost. We will hold tight to all the wonderful memories for comfort. "I pray to GOD to give us strength to pass this difficult time." Stay strong, with love.

Rest easy Uncle Lewis Truman Daniel, Sr. We will FOREVER & ALWAYS love and miss you. 🥹🥹🥹 ❤️❤️❤️
