Miss B was the sweetest person. I meet her through my Sister in law Thelma a few years ago but she treated you like family. We use to exercise together and she could put any young person to shame because she was in such good shape. I love you Ms B. You will be sorely missed. RIP Queen

“ *Bea was such a Jewel, She always kept connected with her friends from McNeil High School.. She never forgot her friends that she grew up with and kept in touch with them. When we traveled to Chicago, Bea always managed to find time to meet us for lunch. I loved to hear her recite the Poems that she had written. She was proud of her family and she leaves a wonderful Legacy of Family and Friends. She will always flourish in everyone life that she touched and we are all blessed to have know Bea.*

“ We believe that God sends angels into our lives. They are here for a season and they have a plan and a purpose. Our Angel IS Lillian Daniel. When we first met over the Prayer Line, we knew she was special. She immediately connected with us even before she physically saw us. Once we met in person, she adopted us right away. She became our mother as our biological mothers have gone on to heaven. She became a friend, a confidant and an advisor when we needed. She loved Deacon Hutton and he became one of her favorite sons. Every time we would visit her she would prepare her famous pork chops just for him...which he loved. We wrote a song called “What Have You Done For The Kingdom of God”...it was one of her favorites. We can truly say she has done more than her share. Her love was unconditional and her giving was limitless. As her newly adopted children, we loved and enjoyed our MAMA BEA. We will miss our Sunday afternoon calls, our laughter together and her presence. Thank you Mama Bea for the love you poured on us. Your California children, Deacon Harold and Reverend Lynn Hutton

Dear Jan, Robin, and Greg,

We are so saddened to learn that our beloved "BB" has returned to Allah. She has been the sweetest, most dedicated, and faithful friend to our mom. We thank Allah that for over 60 years she has been her closest friend. Your mom had the most generous spirit. She never forgot about us. Showed up for every important event we asked her to. A true best friend indeed. Please know that we are praying for each of you, and know that we love you. Our deepest condolences and love. We will miss you always BB. Frazier Muhammad and family.

Your kick was awesome and your energy was non stop. My husband put you before me when we picked you up for an affair, I had to get in the back seat, so you could sit up front. My deepest condolences to the Daniel family. I must concur with other authors of acknowledgements. My heart was heavy to learn of the transitioning of Mrs. Daniel. Mrs Daniel reared more than just her biological children. She took in all the youth of 76 & Wolcott. The Junior Block Club was created under Mrs. Daniel's tutelage. Your love for the youth is what's missing today! Thank You for guiding, leading and teaching us: fundraising abilities ie: car wash and news paper recycling fundraisers. Thank You Janet, Robin and Greg for sharing Ms. Bea with us.

ONE LUV,

Aaron
