*Sending prayers and well wishes for family of Uncle Lonnie Hill. I recall Uncle Lonnie was a man of class and a gentle soul. He was a distinct towering figure who embodied much warmth. What a wonderful tribute from his children during his home going celebration, serving as testimony to his godly character and a strong father figure. May he rest in peace as he is united with family above as he watches over his beloved family here on earth.*

My father was an extraordinary man who loved his family. I am missing him so much and having somewhat of a difficult time with his transition. He was absolutely the best. I always thought he was perfect until I reached my 30's and realized he wasn't. Nevertheless, the best. Always and forever in my heart! Rest, Papa! 💕💕💕
