“ *My Aunt Dora was one of a kind. Even though I was one niece of many, she always made me feel special.*

*Aunt Dora took me on trips with her so that I could enjoy many experiences! I remember her taking me on a helicopter ride, traveling to St. Louis and going into the Arch! She never had any discipline issues outta me because we all knew Auntie Dora didn't PLAY! She loved to drive and she loved to give back to her community. Every year she volunteered and gave back with Toys for Tots.*

*Every year she made sure we had the best Christmas with our family Christmas Eve event. We sang, exchanged gifts and brought in Christmas day with our "We Love You" song. It was so special to bring my own children to one of our holiday celebrations so they could experience what I did as a child. Auntie Dora made all of us feel so special.*

*As I matured as an adult I knew, because of Aunt Dora how important it is to give back and I joined the United States Air Force and would volunteer annually with Toys for Tots because of my Auntie Dora.*

*I love you Dora, we love you Dora!*

*We love you Doraaaa, oh yes we doooo. We love you Doraaaaa, and that is trruuuuuue! We don't love anyone, like we love youuuuuuu!  
Oh Dora we love youuuuuuuu! ❤️🥹❤️*

“ My wife, Bobbie, and I were visiting in Cruger, MS for her brother's funeral when I called Dora to let her know we were close by. Dora immediately invited us to her home for dinner and prepared food for my wife's family and the repast. After a wonderful dinner, Dora let me feed Red, her beloved horse. While talking with my wife they discovered they knew a lot of the same people and that Dora's deceased companion was related to Bobbie. Bobbie was so impressed by Dora's friendliness and willingness to help out. Needless to say, the food that Dora prepared for the re-past never made it there. Once we got to my niece's house where family members were gathered, that food was devoured within an hour. In addition to being an amazing friend and woman, she was also an amazing cook! I'd known Dora for over 50 years since first coming to Chicago and will miss her dearly! She was a true friend and adopted family member of the Summers family.

“ *Sitting here at work, knowing your final fairwell is taking place, want to cry but then want to smile also. There's No other like you. All the fun times we had and some sad time too. I cherish it all. The most enjoyable memory we shared was traveling together, I driver, you sleep, but you will always wake up to check and see if I'm ok. I will surely miss you and you know the love we shared to each, because we always let one another knew how we felt. I will truly miss you, but take your rest.*

*I'm missing my friend, my big bossy sister and colleague! She had a gradient smile and a BIG heart! She loved her family - church, blood and Simeon! If something needed to get done, Burns was the go to person. If she couldn't do it, she'll find someone who could! Rest in the bosom of Jesus my friend!*

“ To the family of my sister Louedora, my heart is heavy of the passing of my dear beloved sister and long time friend, but I will cherish the time and memories that we shared together. we were bonded together as sisters not by blood but by love. I will truly miss all the times that we traveled together and packaged toys for the children at Christmas time through toys for tots. I cannot express how much she was loved and will be missed by all. Dora, love tou always and forever.
