“ *I was working in the Detroit In-Flight Office when L'Tanya first started flying. One of my projects was Probationary Flight Attendants. She was the best: Never in trouble, lots of good customer letters, and most of all, her wonderful smile. That smile always made me feel special. Even after her probationary period was over, she would stop by and visit with me and let me know how things were going with her. And again, always with that smile. You are special L'Tanya. Then and even now, with the Lord.*

*L'Tanya, what a friend we had in you. You understood the true meaning of friendship; and you said friendship was very important to you. You considered me a friend, thank you. I am grateful to Jesus to have had shared my life with you since high school in Oakland, California. I will ever be grateful to you for your kind words, conversations on the phone, talks about Jesus and your belief and love for Him. I miss you, but I know you are not far away. Thank you for the love you gave family and friends and in the many ways you blessed so many people. Pray for us, now and at the hour of our death. Be with always. We miss you!
-Love, Valerie (P.S.--I will remember your birthday this year!!!)*

“ Mama I can't believe you are gone I just found out now through the internet cause I has been texting you and getting no response. Im hurting so bad right now no one called me I would have been there for you mama. I miss you so much and I know your no longer in pain and your in a better place now. But I'm sad I never got to say goodbye. I will tell my boys about how wonderful you are and how big your heart was to take a chance on a outgoing girl who life you changed. You even came to Orlando when I gave birth you flew standby to get to us and see your grandson.I will forever be grateful that you called me your daughter and you showed me how to become to women I am now.

*Thank you mama

“ I will never forget L'Tanya for her kindness. I commuted to Chicago when I first started flying out of Detroit. One crazy night when we were all trying to get home on several flights, she insisted I take the last seat on the plane to finally get home. I never forgot that! She was always smiling and a joy to fly with! Thank you L'Tanya, you were a special person who touched many lives! Prayers to your family.

“We loved her, but God loved her best.”

Having only known L'Tanya a few years, I feel so blessed to have had the opportunity to know such a sweet spirit; having both been DFW commuters, we eventually forged a friendship. L'Tanya fought the valiant fight, never once complaining or wavering in faith; her outlook on life shall remain a shining example to many. I'm left with many fond memories that I shall forever cherish. See ya later, T...I'll miss ya.

My deepest condolences to the family, and may you find comfort in the promises of God's Holy Word.

*"Blessed are those who mourn, for they shall be comforted."

“L'Tanya and I met when we were based in San Francisco. We shared many nights in our commuter room talking about futures and our favorite layovers! We continued those discussions for more than 18 years.

Rest in Peace my friend. You fought a good battle. I will have a glass of Moet in your honor!

I would like to express my sincere sympathy to the family of L'Tanya Taylor. May you all find comfort in your many memories of her and all she meant to you. God Bless You!

“ *L'Tanya was one of my best and dearest friends. I was blessed to have spent 24 years knowing her. I met her on a commuter flight from Chicago when we both lived there and the rest is history. We stayed connected ever since.*

L'Tanya's spirit was infectious. She could make you laugh through any frustration or heartache. She found something positive in almost anything. I know this positivity carried her through her own difficult times. It also made good times even better.

She was a pleasure to work with and a pleasure to spend time with. She took time to help others. She cared deeply about the people she loved and valued all who loved her in return. She appreciated her blessings.

There simply aren't enough words to express what she meant to me or what it means to say goodbye. All I can do is pray for her and tell those who loved her, especially her family, that I share your sorrow and memories and I join you in honoring her life.

Her smile and light will be in my memory always.

May God keep her, bless her, and take her into Heaven for Eternal Life.
