“ *Poobie, Meme, Aunt June, and all family who is near and dear to Uncle Lutha. You all have my deepest sympathy and sincere prayers. I've known Uncle Lutha seems like as far as I can remember. Some of my fondest memories of Uncle Lutha is him sending me to the store for Oke Doke popcorn and Pepsi. When I was older, helping me fix my cars and even get what u consider to be my first car at the age of sixteen. And even just a simple word of "I'm proud of you" meant a great deal. I've seen Uncle Lutha be a great dad to Poobie and Meme and all of his children and loving mate to Aunt June. He will be missed here...but our eternal perspective reminds us that it's only temporary*
