“ *Hello, I am one of MaeBelle's cousins, Linda Jordan Earle. I will always have fond memories of my Auntie Sister who was sister to my mother, Connie Mae. Aunt Sister would come all the way from Arkansa to East St, Louis IL., with her children to visit her parents Ada and Henry Appleby and my mom. Connie Mae. Every summer we look forward to meeting our cousins. Maebelle continued to visit us after she was a grown up. My brother Robert and sister Dian and myself we are the older siblings spent a lot of time with her. She taught us a lot about cooking. Me and Dian had a lot of girl talk and a lot of fun. I used to tease her that she talked like the actress Mae West and that she should be a movie star. Now she is a Bright shining star in Heaven... From the Appleby/Jordan Family We You Love Maebelle. Rest in Paradise. Amen*

*I am a member of New Faith Church where Mother McFadden was. She would always give my daughter money when she came home from college. She always asked about my girls and was such a loving and caring mother of the church. I just asked a member about her a couple days prior to getting the news of her passing. Mother McFadden will always be in my heart for the kindness she showed. 🙏🙏 praying for the family, mother board, and friends who knew her.*
