“ 8 years later. Our lil lady asking about you again. Missing you so bad... nobody can compare to or replace her daddy! 🧡❤️ just keep guiding her to be the greatest version of herself! She the best, n I'm so grateful for her! Our lil chocolate drop...

“ Just sitting here thinking about you, thought I would google your name.. I miss your smile, our laughs, the times we spent with our daughter together.. And all the memories, both good and bad, you never know how much Yu miss a person until you can never see them again. I loved you always and forever I will.. Rest in paradise baby daddy.. It's got to be a lot better there than it is here.
