“ Hello Family,

I am so sorry for Marilyn passing. She had a kind soul and a glowing personality that always lighted up a room. She is no longer suffering but has moved on to a better place. Marilyn will always be with us in spirit and we must cherish the good times we shared with her over the many years.

Love Always,

“ *Glen, you and your family are in my prays. I am so glad I made it on the NFL Chicago Honeybear squad, that's where I met you and your wonderful sis Marilyn. We had a blast singing, dancing and being apart of the talent troupe. I remember coming to the house so that Marilyn could style my hair. I always thought Marilyn wore the best hair styles. Take care my friend. Love Michellise Lawson*

“ *My heart and prayers goes out to The Marshall family. God is "STILL" in control. I'll never forget our days of youth, growing up as neighbors. Marilyn, so beautiful is that glorious flower, that the Lord picked & plucked up, for himself. Family be of good cheer. God is with you.*

May the Lord bless you and keep you,

“ Jennell has always felt more like a sister than a friend, so it is with my deepest sympathy that I say to her and her entire family, "There is no wound that God can not heal". Marilyn was his to begin with and we should be happy and rejoice in the fact that God loved us enough to share his child with us, if only for a brief moment. My heart and a piece of my soul cries out for you on this day. I LOVE YOU and God loves you too. I am asking you this as a child of God, to never lose faith in him. He is always there even in our darkest hour. He promised he'll never leave your side. No matter what you are going through he will see you through just fall on your knees and pray and I promise you, you won't be alone. I'll be right there beside you, cause that's just what sisters' do.

Your other sister,
Sonyia & Family

“ In June 07 1971, her aunt Doris introduced me to her and from that moment on, I knew she was the one. God gives to us some one to share life experiences with. Because of Aunt Doris, I shared so many beautiful experiences with Marilyn, the most important being our daughters Jennifer and Jennell. Through her they were given life and they gave life to seven beautiful grandchildren and through them she lives on. Marilyn, my love for you is and always will be eternal. Donnie xoxoxo.
