“ *As my brother and friend you always stayed close to me in some sort of way. No matter how different I may have been from your other friends you never let that effect us being cool and chilling everyday. Them two weeks you lived with me we spoke on things I promised and you promised we would never speak on with anyone else. And every since then I knew I could trust you with anything 🏆👊👊 Rest in heaven my boy you deserve it. Ain't nun down here good anyway this world is just taking and taking all the ones who tryna do right in life. But imma prevail for you cause I can feel you living through me 🏆🏆🏆*
