“ *Max, what can I say.. I expected more time for us to spend time in each other's life... Your grace and poise is what I will always remember visually.. But your heart to love your family I will keep and remember forever... Your work here is done as God has called you to rest... We got Stanley, know that.. Kayla, Nina and baby boy Malcom in the middle too. Sending love and hugs to the family... My deepest condolences..*
