“ *There is never a day that goes by that I don't think about you, wether it be something that you sang, said or did you were you, your heart was wayyyy bigger than many people knew and even gave you credit for. I feel that you were taking away too soon but our GOD knows best and he needed you more, our hearts still hurt badly because you're no longer here but we rejoice in knowing that you're not suffering or struggling any longer. I'll forever love you Michelle continue to rest in heaven peacefully our angel!!!*

“ *Your gift made room for you. I heard someone say that you will heard before kings.. well you now have the opportunity to sing before our King... I wish we would have had more time to talk to each other and become better friends... My prayers to Pastor January and family.*
