“ Milton was a fun guy to be around, but the two things that impressed me the most about him was his demonstrated love for his mother, and his culinary skills. He taught me how to cook okra that was so good it would make you hurt your self! I am comported in knowing that he is now with his mom and my mom (who was one of her best friends). Those of us who know the Lord, know that we will see them again some day. you, my brother, will be truly missed, but I know that God makes no mistakes, and He knew your earthly body was tired, so He took you home to a new body! You will be deeply missed, But we know that God makes no mistakes!

Love,
Gwen

“ My sincerest condolences to YOU.....the family of Rolland. I worked with him for many years at CTA. We both retired as as Managers. We would talk periodically. The last time I saw Rolland, his mom Odessa was living. I had the privilege of seeing them both!! May they both rest in peace. Rolland, I'm going to MISS YOU!!😭😭
