“ Family: I will always remember Monica for her affectionate personality and infectious smile. Lend not unto your own understanding. When the spirit is ready to return home to spirit, it takes flight whether the body is six or sixty. I can hear her singing in that Heaven Choir above. She will be missed, but we know that God is in control of each of our season and in Him there is eternal life! "But we do not want you to be uninformed, brothers and sisters, about those who have died, so that you may not grieve as others do, who have no hope. For since we believe that Jesus died and rose again, even so, through Jesus God will bring with him those who have died" 1 Thessalonian 4:13-14
My prayers are with you during this difficult time.
