“ *I came to know Myles through the Herron family, and watched him develop from an intelligent boy to a wise young man. I am stunned at the loss of Myles. Although he was a few years my juniour, I respected Myles and appreciated his "shoot straight from the hip" manner. Myles will truly be missed. You all are in my prayers.*

“ To Myles’ family: I am certain that words seem insignificant in an attempt to comfort you. I know how much he was loved and I’m sure I only know the tip of the iceberg. I loved him plenty. A real friend. A powerful presence. I pray that the Holy Spirit comforts and keeps his parents & siblings, taking comfort in the fact that Myles’ salvation was secure! Sending my love and prayers for comfort from California!

“ I don't have the words for my Nephew not being with us. He was truly, one of a kind!!! I will miss his way of making everyone laugh, and how he never met a stranger. I'm sure my husband and Myles Uncle/godfather, Pastor Robert Herron Jr. met him at the golden gate, reaching out to him, welcoming him in to his heavenly resting place. Rest In Peace Nephew. Love ❤️ you.

“ My heart goes out to Cynthia and Kenneth. The pain will never go away from the loss of a child. Death of a child leaves a heartache no one can heal - Love leaves a memory no one can steal. Please cherish your memories of your Angel, Myles Xavier. He is with the both of you every day.
