“ *My condolences goes out to the family and friends of Nancy Johnson. Losing a love one is never easy but what brings me comfort is Revelation 21:4, where it says and God will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. So it's reassuring to know although I may be in pain because I lost a love one, I know one day that pain and death will be gone and I'll be able to see my love one again.*

“ *Grandma Grandma you will be truly miss. I know in my heart that you would not want us to be sad because you were a very happy person and loved life. I will cherish the good times that we shared and you will be in my heart forever until we meet again .
