“ *"What is lovely never dies, but passes into another loveliness."*
I had the privilege of knowing Dr. Hampton for the past three years, and in that time, she left a lasting impression on my life. Her kindness, warmth, and genuine spirit touched everyone who had the honor of crossing her path. She will be deeply missed but never forgotten. My heart goes out to her family—may you find comfort and strength in the love that surrounds you during this incredibly difficult time.
