“ *Hi Family I'm zack gray ,a Former C.T.A Repairman and co-worker of Brother Nolan
My intentions were to be there in person to share in the celebration of a Wonderful
co-worker However a Gout/arthritis Ankle is hindering mobility, Nolan and I were
Hired Together august 25 1986 as repairman for cta and talked about dreams
and aspirations we had in the later days of our employment as the cta was
a great place to work and offered much to those who worked there.
Nolan
explored some of the other options the company had to offer and stayed in
the repairmans position until retiring in 2012. I wish you all of gods
peace and
strength your lose but know that his memories are ever lasting.*

*sincerely
Zack Gray*
