“ Bert,

*Blessed with a priceless, warming and engaging smile.....
Has an infectious laughter which eases and relaxes others
Trustworthy
Good hearted, unselfish and generous
Loved roller coasters, automobiles, and motorcycles
Faithful of not being judgemental
Consistently fair minded*

I recall how blessed I was to journey through life as friends, a few examples.....

One weekend in Chicago we decided to go to Michigan and ran into almost blinding snow, naturally we slowed down and laughed for many mile how eerie it was ..

Our meet-up to go to Lime Rock, Conn To watch sports cars race, while enjoying some fantastic kabobs he had caressed with a fantastic marinade; during the race intermission... the aroma of his magical talent drew many to stop and inquire (some no doubt hoping for a sample of what he had prepared)

*Our journey to the Newport Jazz Festival,
On occasions, all night backgammon games, duels where we both enjoyed thrashing each other with no mercy while smiling s and sometime laughing at each other demise.*

Others memories too numerous to list here

As I recall, I grieve , and I will surely miss him,

As I grieve, I will never cease to love him

Sitting here with my sister, Delphine and reminiscing about our brother Bert. We so enjoyed the poetic and thoughtful remarks by his good friend Lamarr.
