“ *Pam J. There are no words to say how much I will miss you. I have known you for over 39 you years. You were pregnant with Ebony when we met. When we worked together we would talk and laugh until we cried. Years later when we saw each or talked on the phone we continued this same practice. I will always carry you in my heart. Love to your 2 lovely daughters. Until we meet again. Love Barbara Jones (B.J. as you called me).*

“ *Pamela was kind, lovely, and truly wise. She was patient and set the tone in CYC for how to treat people like family. It was good to share UIC as "home" with her. She touched many lives and it is hard to say goodbye to such a beautiful person, but we will never forget her.*

From the days at ! N. State to 225 S. Michigan, Pam was a joy to work with. Her smile and laugh got us through those high call volume days, especially when conversions did not go so well. I am glad I had the chance to work with her.
