“ Pam will be miss! We use to always talk about wanting our kids to have a better life. She truly loved her family and people in general. You could always count on her to lift your spirit up with the Word Of God.

“ Dear Cousin,

I have such fond memories of our childhood together. I am so saddened and shocked by your passing! I know as we grew older we grew apart, but you were always close to my heart. You were my first cousin. I wish we could hit a reset button, I would have been there for you. Now you can rest in peace free from any all things that caused you unhappiness. M y heart aches for you.

“ Kevin, Bridgette, Jerry, John & the entire family.
Pam had such a beautiful & loving spirit. We have fond memories of her coming to Camden, Arkansas as a child. Always glad to see her, her smile and spirit would light up all of us.
When I was a student at the Univ. of Arkansas Pine Bluff, I visited Uncle Jesse & Aunt Thelma. Inez had Pam & Jerry to give me a full tour of Chicago. We spent two happy days together going to the various museums! I will never forget Pam’s love and kindness. We love you Pam.
With deepest condolences,
