“ *I briefly worked with Poray at MetroSouth Medical Center in the Respiratory Department. He always very caring, friendly, and was always willing to help and give advice. He was definitely dedicated to his craft of providing life saving care to his patients. I am saddened to hear of his passing.*

“ *My wife, Marcia would be talking to June in the church yard and Poray, seated behind the wheel of the car would call out "take a number". He was saying it's time to go, take a phone number to continue the conversation. In our eyes, he truly demonstrated what it meant to be a "husbonai". Condolences to the family.*

My thought would be, WOW!!!! this man really have so much energy, especially when I saw Him on the roof, right then I thought, Oh God, his faith is truly strong and amazing and Lord please don't let him fall. “ We fondly remember the time when Poray & June personally came to our home when we were newly married and gave us a personal cooking lesson on how to prepare their signature red beans and rice dish. We were lovingly and patiently walked through the process of preparing the beans, cutting up the "trinity" of vegetables needed for that special taste (i.e. garlic, onion and celery), and carefully assembling the seasonings. We were also told that it would take painstaking attention in regards to adding the appropriate amount of water so as not to "drown" the beans during the process. After about 2 or 3 hours of preparation and precision cooking techniques, the meal was completed and we all sat down to enjoy a pretty good version of the dish (it was my first attempt). Poray later wrote down the detailed instructions and ingredient list so that we could duplicate it later. The gracious and servant heart that was shone to us on that occasion was very precious to us. We will always remember the kindness and love of this dear couple. Brother Poray will be sorely missed, but the joy of him in the precious of our dear Lord and Savior Jesus Christ is more than comforting. Praise the Lord for giving us His precious gift of a dear Brother in the Lord!

I have many fond memories of Poray. He and June were members of my former church for many years. The last time I saw him was when he spoke at my church Pleasant Green Missionary Baptist Church a few years ago. I was surprised and happy to see he and June there, and as usual, he did an outstanding job of presenting. He even prepared an excellent handout with a diagram that he had drawn. My Pastor Walter W. Matthews, Sr said that he would make the handout available to all the members of our church.
He was a faithful servant of God and will truly be missed.

There are so many memories that Poray and I share. This man was my best friend in the world. At first when I heard of his passing on I was very sadden, so much so every time I would be alone I would cry, I cried all day as I would remember the times we shared, then I thought to just thank God that he had given me such a wonderful friend.

I love you com.

Poray exemplified unselfish love and commitment to whatever task he set out to do. He helped my husband, Maurice Washington edit his book for 2 hours or more, night after night over the phone after both of them had worked a full day. This went on for over a month. What a testimony.

“ *I was fortunate to know Poray during my 2 years at Metrosouth. He was extremely kind and compassionate. It was clear that he loved what he did. Me and Poray frequently spoke about God and faith. Although we come from two different religious backgrounds, the conversations me and Poray had were an excellent example of how two people can share their love for God, although that love may look different. Poray will be deeply missed, and May he Rest In Peace.*

Mr. Casmier provided respiratory care for my sister, Cynthia, during a prolonged hospital stay. I always felt better on the days when he was on duty, because felt sure that he would not just go through the motions to meet her needs, but would be compassionate, and offer prayer support as well. He was a real blessing to my family during a very difficult time.

“ While waiting for the boat during Israel’s wedding, Poray and I had such a wonderful time singing songs of praise back and forth. Now honestly, we may have annoyed some folks near by, but we had a ball. This was common for us to do because he knew I sung too. We had some great conversations about the word of the Lord during this past year. A very loving, encouraging and steadfast brother. We both loved to watch “Colombo”.
I left “Lord of Eternity” on your voicemail before you left us. But now you’re with Him in glory. I know you’re singing now.
I’ll see you again my brother.

“ Words cannot express how you have impacted by life. We started the journey of friendship and brotherhood around the Word of God. That was our conversation till the end. We were as the scripture says “iron sharpening iron”. For 38 years we journeyed together! Our friendship was as closer than a brother. Bud all I can say is I will miss you for the time being. You lived well, now enjoy what you lived for. I know you are with Jesus!

Love you always,

*"If I can help somebody as I pass along,
If I can cheer somebody with a word or song,
If I can show somebody that they're traveling wrong,
Then my living shall not be in vain."
My spiritual son "Poray" lived the words of this song.
We don't have to wonder where he is, he's rejoicing at the sight of
