“ Rest Easy Beloved, a new life for you exciting and bright Our Father has uncovered, uncleaved you from your Mother, from your Sisters in Christ and your Brothers, we will gather together in your honor in all ways and for always because we love you, time is always in question, we wreck our thoughts looking for answers while all time spent is praying to God in Heaven, Rest Easy young soul and behold your true blessings, and while you yet yearn to call out to your Mother and beckon, we will remember that life is filled with lessons and we wish here to be there with you and all of our lived ones in heaven. Amen (RIP) Raven's In Peace
