“ *May the Lord be with Remo's family and loved ones as you celebrate his wonderful life today. May you all be comforted during your time of greiving to know how Remo touched so many lives during this short time on earth. I was blessed to work with Remo many years in Houston at the Westin Galleria & Westin Oaks Hotels. Reno was loved and respected by the staff. He was a good friend to so many and we can still remember his big smile and infectious laugh. I appreciate Remo's service and honor to keep our country safe.*

“ *Remo was the best man I've ever known! We went to many happy hours and to the hall where he was a member at in Cincy. And he always took care of me regardless of what he had going on. I'll never forget anything about my sweetheart. I'll always love him as he did me and my family. Rest easy sweets! To his family and friends, sending you healing hugs.*

Our sincere condolences on the passing of Remo. He is truly loved and will be missed. Remo was my brother’s best friend whom we have known since high school (more than 40 years). Remo was an All-American Track & Field Athlete and he and my brother attended the same university and were Frat & real brothers:). They shared a special bond that will last through eternity❤️.

Remo lives on and May God continue to comfort you during this very difficult time in the Mighty Name of Jesus🙏. Love always, John, Brenda, Susie, and Sandra

“ *I worked with Remo at UH Rehab in Cleveland and he was a delight to see everyday at work. He was funny, so funny and kind and he loved his cigars. He actually got me more into cigars and places to go and just relax. He was caring and a great listener. He will be missed but now he can rest.*

“ *My name is LeAndre East and I worked with Remo since 2016 at UH rehab in Beachwood, Ohio. He was the sweetest and kindest man there. He was always willing to help our department especially which was the nursing department. He always put a smile on my face when he would ask me if I'm still able to see over the steering wheel when I come to work. He was a pleasant man to call a great friend. We will miss you Remo*
