“ *I'm totally crushed over this news of Rita's passing. I loved her Rita so much. She was one of the first people I worked with and she helped me acclimate to work at the Alzheimer's Association and life in the city. We laughed so much!!! Her greatest joy was her family. She loved her kids and husband so much....you were all she talked about. 💔💔💔💔 I'm grateful I got to see her 2 years ago while back in Chicago. She served the Alzheimer's Association so well over all these years. This hurts. I will miss her.*
