“ *My memory of cousin Rita.
Rita and Frank had Maltese dogs. She would not accept my money for the runt of the litter. She told me to take him before Frank Kills this one. He would not behave. She was right. It's been 12 years and My Cody is still misbehaving, but I am so grateful that she gave him to me. Love you Rita. You will be missed.*

“ Rita always protected me. When I was about 5 years old this lady live across the hall from us in the projects. Well I jump on her son and that Lady slap me so hard I ran straight to my cousin Rita screaming. Rita said what wrong I told her and she walk out the door and knock on that woman door a slap her and Rita ran in the house and got our grandma and she whoop the lady up.
