“ *My father was not just a hero to me but he was a hero to this country, to his community and to his family. He gave of himself unselfishly and he loved his children and his grandchildren and his extended family also. He was a big man in stature and in character who loved to laugh and have fun. I will truly miss my father and I will always cherish my memories of him. I know for sure that when he passed away he was happy with his children and his grandchildren and proud of how they turned out and what he had a hand in making. I know for a fact that I will see my Dad again, I have the promise that one day the sky will roll back like a scroll and we will see the Lord of Lords and the King of Kings which is Jesus Christ and he will take us all home. Those of us that believed on him as our Lord and Savior will be called the children of God and there is no doubt in my mind that my father will be there with us. God Bless everyone and keep you heart and Mind on Jesus!*
