“ *I remember Robertha and I took turns picking Alene and Mikey up from an after school program they were participating in. On the days that Mikey was at her house she cooked huge meals and he loved it and her, and so did I because she always sent a plate for me! Alene would jokingly say she only got those kind of meals when Mikey was there. Rest in Heaven Robertha.*

“ I laugh to myself every time I look in the mirror now bc I can hear Momma say, “ Cheri what’re we gonna do about all this gray hair in your head?” 🤔 She never let those gray hairs catch her. I have known and loved her and Peaches since I was a little girl. I will miss Momma Robertha dearly, I hope she knows I’ll keep an eye on my sister💜.
