“ To my dear Uncle, as much as it pains me to no longer hear your infectious laugh or catch a good ballgame with you, it is a comfort to know that you will experience no more pain. You were a stable fixture in my life and I love you very much. May your flight to your Heavenly home be a peaceful one. Rest well, rest well. Much love from your nephew, Donald.

“ Reflecting on my relationship with my brother who passed away brings a mix of cherished memories, deep sadness, and a sense of profound loss; he was not just a sibling, but a constant presence in my life, someone who understood me on a level few others could, and whose absence leaves a gaping hole that can never be filled. Always love for you, your brother Donnie.

“ My dear brother-in-law, words cannot explain how much you will be missed. Our weekend visits will not be the same without you and your laughter. I know you are resting with your Heavenly Father. Love, Joanie Conley
