“ *'You are on the Earth plane to rediscover the awareness that life is eternal and ever renewing itself. God, the Great Father/Mother of all life, is love and loves each one of you totally and unconditionally. And when you become aware that there really is a great plan in which everything has its place and unfolds in its allocated time, and that you will always be safe wherever you may be, you can do nothing but love your Creator with your whole being. Every human spirit and soul is part of God and immortal, and in God's consciousness there is no such thing as death. Because your loved ones are alive in that love, where your spirit self dwells, they are always with you and will never leave you.'* White Eagle  
*I love You Ro Ro and will always be grateful for our friendship..  
Sending my deepest sympathy and heart felt light to you and your family.
