*Dear Mother Rosetta Barnes, my family is so blessed for knowing you. In August of 1943 my mother left Mississippi to come north to find a job and better her life and that of her family. It was you Rosetta Barnes who saw my mother walking down the street looking for a place to live and you introduced yourself and asked her if she needed some place to stay. You not knowing her, allowed my mother to stay with you and she did. She always talked about that day to me.
RIP Mother Barnes*

Beautiful home going. Mother Barnes will be truly missed .She was a powerful prayer warrior. Loved by many, would beat some of the young folks getting to church. We get there, she would already be on her knees praying. Bishop Austin , job well done , missionary Colvin and pastor Randy Colvin job well done. The funeral conductor was right, there's only one Bishop James Austin.

Dear Mother Barnes your dedication to St. Luke C.O.G.I.C and committment to stay focus on the work of the Lord inspires me everyday to do better and make a difference in other lives. I remember when you assisted me with the History of St, Luke C.O.G.I.C.by giving great information to share with the congregation. You went even further on the day of the program and shared your testimony which was not planned. It was God's plan, he wanted eveyone to know who you were; an obedient child, cooked your heart away, and how you helped strangers improve their lives. Yes your are a pilliar in Chicago,Ilinois and I will always remember you for your spiritual guidance, being a prayer warrior, as loving person, a faithfful soul, a woman of God, a woman of God, and a woman of God.

I will truly miss you,

*My fondest memory of Mother Barnes was in the summer of 78. We had completed a Saturday rehearsal and Mother Barnes wanted to make sure that she connected with me prior to heading back to college. She caught the bus, from her home to the church just to pray for my safe travels and studies.

“ *My dearest Aunt Rosetta, I truly admired you as a strong, take charge, independent, and stubborn women, the typical characteristics of a DANIEL. I'm so glad that I was able to express my feelings while you were in the land of the living and I consider myself blessed to have known and experienced your kindness and generosity. You leave behind a rich legacy of community service and kindness toward individuals that were less fortunate. You've changed so many lives along your journey here on earth and because of that, you will always be loved and truly missed. Go take your rest auntie, you deserve it.

“ *Mother Rosetta Barnes, Ma Barnes was always a Strong, Wise Woman of God and for more than forty-five years was a Sister, Friend and Counsel to My Mother, Candy Bell Jude. Often spending many days sitting and sharing with each other for years in the Mother's Room at St. Luke, also by phone, dinners, church services and church outings too many to name. I can never express how much of a Beacon of Love Mother Barnes was to My Mother as a whole, providing joy, laughter, strength, wisdom and trust. In addition, she always would look at me with a quick fast stare and then I knew that Beautiful Infectious smile was immediately coming whenever I'd see her throughout the years. Ma Barnes' encouragement and wisdom help to carry me through while I cared for my Mother on many of tired days. Mother Barnes' Love and Wisdom was there for All persons she encountered. An Array of Memories that will Never Be Forgotten, I Love You Ma Barnes-Infinity, Ollistine!*

“ *A mighty warrior. She was steadfast in her walk with Christ. She was a civic and spiritual giant. She was faithful to prayer. Her exterior was tough but her heart was tender to do the right things. If you did not get to know her you missed the true essence of a woman of God. She is present with the Jesus she called on in prayer.*

“ *My auntie Rosetta was a Daniel: strong, caring and tough. My grandmother (her baby sister) and her talked every morning. No one could ever understand it, "What do they have to talk about everyday?" They talked about life. And the family. That was their love language, literally. That's my favorite memory & thinking about it takes me back to the childhood memories I spent with her. You will be missed Auntie Rosetta.*
